Introducing our Aluminum Patio Covers

Stay cool on hot summer days and dry during rainy weekends, ensuring year-round enjoyment of your patio.

Custom-crafted to fit your home or business and engineered to meet snow load requirements, our aluminum patio covers guarantee durability against all seasons. Forget about painting or worrying about rust or rot — our covers are built to last, meeting local building codes with ease. Tested to endure heavy snowfalls and strong winds, they feature rollformed .032" aluminum pans measuring 4" in depth and 12" wide.

- ▶ *Built with heavy-duty aluminum components and coated with a baked-on primer and finish for maximum longevity;*
- ▶ *Maintenance-free and designed to maintain their appearance for decades;*
- ▶ *Featuring a unique exterior fascia design that can be painted to complement your home;*
- ▶ *Ideal for carports or storage areas, seamlessly integrating with any architectural style.*
